TERMS OF SERVICE

This is a legal agreement between you and M Interactive Ltd. (“M Interactive”) stating the terms that govern your use of the M Interactive Store service. This agreement – together with all updates, additional terms and all M Interactive rules and policies referred to in this agreement – collectively constitute the “Agreement” between you and M Interactive. To agree to these terms, click “Agree”. If you do not agree to these terms, do not click “Agree”, and do not use the service. You must accept and abide by these terms as presented to you; changes, additions, or deletions are not acceptable, and M Interactive may refuse access to the M Interactive Store for non-compliance with any part of this Agreement. This Agreement applies without prejudice to software licenses that you may have entered into, such as for the use of the M Interactive application.

1. Definition of the M Interactive Store Service. M Interactive is the provider of the M Interactive Store (the “Service”) that permits you to acquire a license for digital content including digital magazines, photos, sound recordings, videos, games and software under certain terms and conditions as set forth in this Agreement. M Interactive is the provider of the M Interactive application.

2. Use of the Service.

a. Age Requirements. This Service is available for individuals aged 18 years or older. If you are under the age of 18, you should review these terms and conditions with your parent or guardian to make sure that you and your parent or guardian understand these terms and conditions.

b. IMPORTANT SAFETY INFORMATION. (1) To avoid muscle, joint or eye strain during video game play, you should always take frequent breaks from playing, and stop and take a longer rest if your eyes, hands, wrists, or arms become tired or sore or you feel any other discomfort. (2) A very small percentage of people may experience seizures or blackouts when exposed to flashing lights or patterns, including while playing video games or watching videos. Symptoms may include dizziness, nausea, involuntary movements, loss of awareness, altered vision, tingling, numbness, or other discomforts. Consult a doctor before playing video games if you have ever suffered these or other symptoms linked to seizures and/or epilepsy, and stop playing immediately and see a doctor if these or similar symptoms occur during game play. Parents should monitor their children’s video game play for signs of symptoms.

3. Objectionable Material. You understand that by using the Service, you may

encounter content that may be deemed offensive, indecent, or objectionable, which content may or may not be identified as having explicit language. Nevertheless, you agree to use the Service at your sole risk and that M Interactive shall have no liability to you for content that may be found to be offensive, indecent, or objectionable. Content types (including genres, sub-genres and Podcast categories and subcategories and the like) and descriptions are provided for convenience, and you acknowledge and agree that M Interactive does not guarantee their accuracy.

4. System Requirements. Use of the Service requires a device such as a computer with the M Interactive application installed, Internet access (fees may apply), and certain software (fees may apply), and may require obtaining updates or upgrades from time to time. Because use of the Service involves hardware, software, and Internet access, your ability to use the Service may be affected by the performance of these factors. High speed Internet access is strongly recommended. You acknowledge and agree that such system requirements, which may be changed from time to time, are your responsibility. The Service is not part of any other product or offering, and no purchase or obtaining of any other product shall be construed to represent or guarantee you access to the Service.

LICENSED APPLICATION END USER LICENSE AGREEMENT

The Products made available through the Service are licensed, not sold, to you. Your

license to each Product you obtain through the Service is subject to your prior acceptance of this Licensed Application End User License Agreement and you agree that the terms of this Licensed Application End User license Agreement will apply to each Product you license from the Service, unless the Product is covered by a valid end user license agreement entered into between you and the provider of the Product (the "Application Provider"), in which case the terms of that separate license agreement will govern, subject to your prior acceptance of that separate license agreement. The Application Provider reserves all rights not expressly granted to you. The Product that is subject to this license is referred to in this license as the "Licensed Application".

a. Scope of license: This license granted to you for the Licensed Application by Application Provider is limited to a non-transferable license to use the Licensed Application on any computer or any other device that you own or control and as permitted by the Usage Rules set forth in the Usage Rules. This license does not allow you to use the Licensed Application on any computer or any other device that you do not own or control, and you may not distribute or make the Licensed Application available over a network where it could be used by multiple devices at the same time. You may not modify, rent, lease, lend, sell, assign, transfer, redistribute or sublicense the Licensed Application. You may not copy (except as expressly permitted by this license and the Usage Rules), decompile, reverse engineer, disassemble, attempt to derive the source code of, modify, or create derivative works of the Licensed Application, any updates, or any part thereof (except as and only to the extent any foregoing restriction is prohibited by applicable law or to the extent as may be permitted by the licensing terms governing use of any open sourced components included with the Licensed Application). Any attempt to do so is a breach of the rights of the Application Provider and its licensors. If you breach this restriction, You may be subject to prosecution and damages.

The terms of the license will govern any upgrades provided by Application Provider that replace and/or supplement the original Licensed Application, unless such upgrade is accompanied by a separate license in which case the terms of that license will govern.

b. Consent to Use of Data: You agree that Application Provider may collect and use technical data and related information, including but not limited to technical information about your device, system and application software, and peripherals, that is gathered periodically to facilitate the provision of software updates, product support and other services to you (if any) related to the Licensed Application. Application Provider may use this information, as long as it is in a form that does not personally identify you, to improve its products or to provide services or technologies to you.

c. Termination. The license is effective until terminated by you or Application Provider. Your rights under this license will terminate automatically without notice from the Application Provider if you fail to comply with any term(s) of this license. Upon termination of the license, you shall cease all use of the Licensed Application, and destroy all copies, full or partial, of the Licensed Application.

d. Services; Third Party Materials. The Licensed Application may enable access to Application Provider's and third party services and web sites (collectively and individually, "Services"). Use of the Services may require Internet access and that you accept additional terms of service.

You understand that by using any of the Services, you may encounter content that may be deemed offensive, indecent, or objectionable, which content may or may not be identified as having explicit language, and that the results of any search or entering of a particular URL may automatically and unintentionally generate links or references to objectionable material. Nevertheless, you agree to use the Services at your sole risk and that the Application Provider shall not have any liability to you for content that may be found to be offensive, indecent, or objectionable.

Certain Services may display, include or make available content, data, information, applications or materials from third parties ("Third Party Materials") or provide links to certain third party web sites. By using the Services, you acknowledge and agree that the Application Provider is not responsible for examining or evaluating the content, accuracy, completeness, timeliness, validity, copyright compliance, legality, decency, quality or any other aspect of such Third Party Materials or web sites. The Application Provider does not warrant or endorse and does not assume and will not have any liability or responsibility to you or any other person for any third-party Services, Third Party Materials or web sites, or for any other materials, products, or services of third parties. Third Party Materials and links to other web sites are provided solely as a convenience to you. Financial information displayed by any Services is for general informational purposes only and is not intended to be relied upon as investment advice. Before executing any securities transaction based upon information obtained through the Services, you should consult with a financial professional.

You agree that many Services contain proprietary content, information and material that is protected by applicable intellectual property and other laws, including but not limited to copyright, and that you will not use such proprietary content, information or materials in any way whatsoever except for permitted use of the Services. No portion of the Services may be reproduced in any form or by any means except as permitted by Application Provider or applicable third party, law or regulation. You agree not to modify, rent, lease, loan, sell, assign, transfer, distribute, sublicense or create derivative works based on the Services, in any manner, except as permitted by Application Provider or applicable third party, law or regulation, and you shall not exploit the Services in any unauthorized way whatsoever, including but not limited to, by trespass or burdening network capacity. You further agree not to use the Services in any manner to harass, abuse, stalk, threaten, defame or otherwise infringe or violate the rights of any other party, and that the Application Provider is not in any way responsible for any such use by you, nor for any harassing, threatening, defamatory, offensive or illegal messages or transmissions that you may receive as a result of using any of the Services.

In addition, third party Services and Third Party Materials that may be accessed from, displayed on or linked to from M Interactive are not available in all languages or in all countries. The Application Provider makes no representation that such Services and materials are appropriate or available for use in any particular location. To the extent you choose to access such Services or materials, you do so at your own initiative and are responsible for compliance with any applicable laws, including but not limited to applicable local laws. The Application Provider, and its licensors, reserve the right to change, suspend, remove, or disable access to any Services at any time without notice. In no event will the Application Provider be liable for the removal of or disabling of access to any such Services. The Application Provider may also impose limits on the use of or access to certain Services, in any case and without notice or liability.

e. NO WARRANTY: Application Provider will use reasonable care and skill with respect to the provision of the Licensed Application and any services performed or provided by the Application Provider ("Services") to you. Application Provider does not make any other promises or warranties about the Services and in particular does not warrant that:

- (i) your use of the Services will be uninterrupted or error-free;
- (ii) the Services will be free from loss, corruption, attack, viruses, interference, hacking, or other security intrusion, and Application Provider disclaims any liability relating thereto. You shall be responsible for backing up your own system, including any Licensed Application that is stored on your system.

f. LIMITATIONS OF LIABILITY

(i) Except as set out in section g, in no case shall Application Provider, its directors, officers, employees, affiliates, agents, commissioners, contractors, principals or licensors be liable for any loss or damage caused by Application Provider, its employees, agents or commissioners where:

(2) it is not a reasonably foreseeable result of any such breach;

(3) any increase in loss or damage results from breach by you of any term of this End User license Agreement ("Agreement");

(4) it results from a decision by Application Provider to warn you, to suspend or terminate your access to the Services, or to take any other action during the investigation of a suspected breach or as a result of the Application Provider's conclusion that a violation of this Agreement has occurred; or

(5) it relates to loss of income, business or profits, or any loss or corruption of data in connection with your use of the Licensed Application.

(ii) Nothing in this Agreement removes or limits Application Provider's liability for fraud, or for death or personal injury caused by its negligence.
